

Look about the world today as you read this and see if you find any similarities in what you read here and what you see there. Civilizations prosper and advance when they follow the instructions given them by their maker and fall when they follow the fallen one. Start reading Genesis:

- 1 In the beginning God created the heaven and the earth.
- 2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.
- 3 And God said, Let there be light: and there was light.
- 4 And God saw the light, that it was good: and God divided the light from the darkness.
- 5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.
- 6 ¶ And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.
- 7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. (Genesis 1:1-7)

- 1 Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?
- 2 And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:
- 3 But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.
- 4 And the serpent said unto the woman, Ye shall not surely die: (Genesis 3:1-4)

Disclaimer: I am first a Warrior Priest¹ of the one true living Triune God, second a scientist, a nuclear physicist to be precise. From hence comes my viewpoint.

¹ Not an intermediary priest, but a minister. That must be clear.

When you consider what is, and more important has, been going on since the beginning, you can see nothing has changed.

In the garden, he was referred to as the deceiver or the serpent, now he is Allah. Capitalizing a name does not make one God, merely one of the false gods. Make no mistake; Allah is another name for the Devil. The first of the fallen.

The first thing the deceiver does is divide and conquer. The Devil calls for fairness², then defines it for us in terms not found in any dictionary. When you allow the enemy to set the terms and rules, you find the battle half lost.

Most of our current problem can be traced back to allowing junk science. There is absolutely zero evidence of evolution, yet our schools teach it as fact. We are not allowed to consider Creation as even a theory; yet the order of creation as laid out in Genesis is that "scientists" presently think happened, though the time span is not the same. We are said to be "flat worlders", yet the Bible clearly calls the earth round.

Why no Creation, why Evolution in the face of absolutely zero evidence? To remove God as the source of all: law, order, soul. To establish the state as primary. One cannot have a National Socialist or Communist State and have God as the source of all power. The State must be the ultimate source of power.

People presently will not accept the widespread worship of the Devil and primacy of his State, thus we are faced with atheism as the current State Religion of the United States of America. We are seeing the attempted primacy of the State over God's Law, the Constitution and People.

Islam is acceptable to National Socialism and Communism, it is a religion that is flexible and worldly oriented. It believes whatever it worldly rulers believe at the time.

Expect to see atheism promoted, Islam tolerated to the point of preference, Christianity and Judaism persecuted. There are none so blind as those who will not see.

Godspeed,

Hap

² Fairness – A word found not once in the Bible. Right, yes. Fairness, no.
