June 27, 2014 Anno Domini

I am happy to announce the signing of a Memorandum of Understanding between the Anglican Orthodox Communion Worldwide and the Holy Trinity Church of Africa in Kisumu, Kenya (Lake Victoria) on Sunday, 22nd of June, 2014 Anno Domini. The Churches are united in spiritual fellowship, but no organic union as far as operations and finance is concerned. Though we may assist in raising fund...s for special projects on behalf of the HTCA, we are not obligated for budgeting from our own funds for the church since the union is spiritual and not organic.

Presiding Bishop Job Were commented that the two churches are separate for organizational purposes (and financial) though we share common biblical doctrine and worship. More detailed report will follow.
